## JEAN LAB CO

618, J.S.S. Rd. 9/B, Bhiwandiwalla Terrace, Grd. Flr. Dhobitalao, Mumbai- 40002 (India)

Tel: +91 22 22058485 \* Fax : +91 22 22009354 Email : jeanlabco@gmail.com, www.jeanlabco.com

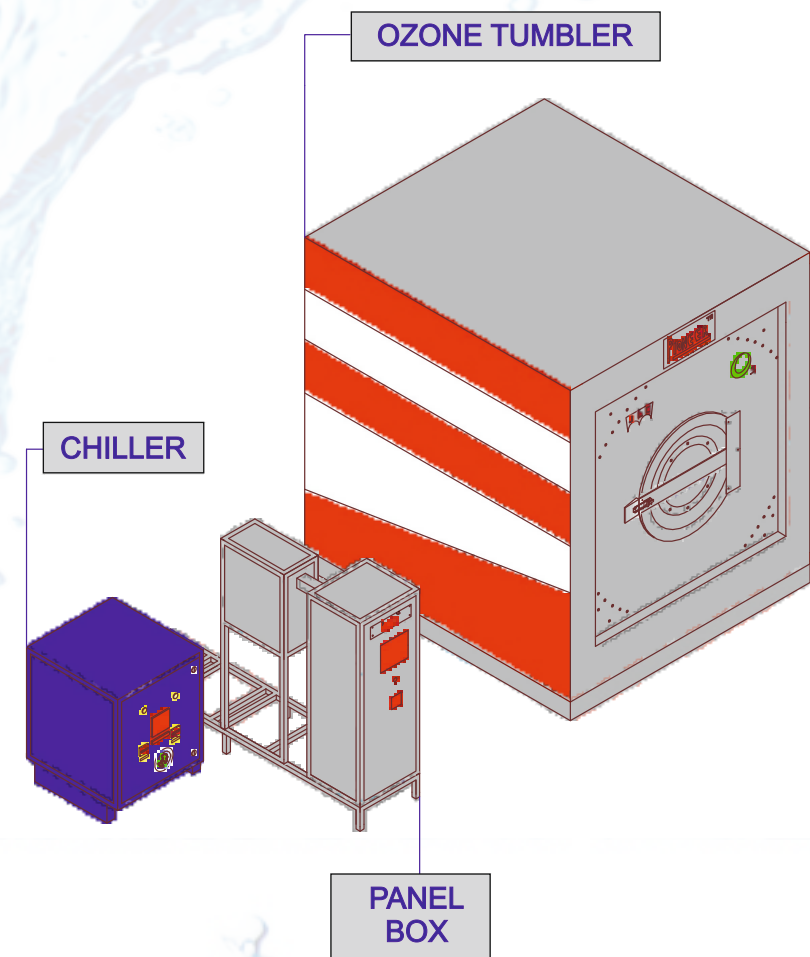

N0.-62/1, First Floor, Doresanipalya, Bilekahalli, Near Honeywell, Bannerghatta Road, Bangalore-560076

**OZONARIUM**  
Washed by nature

Manufacturers of Industrial laundry Equipments

Low running costs, clean environmentally sustainable process safety and reliability top performance at all times. This is a rapid return investment offered by this system.

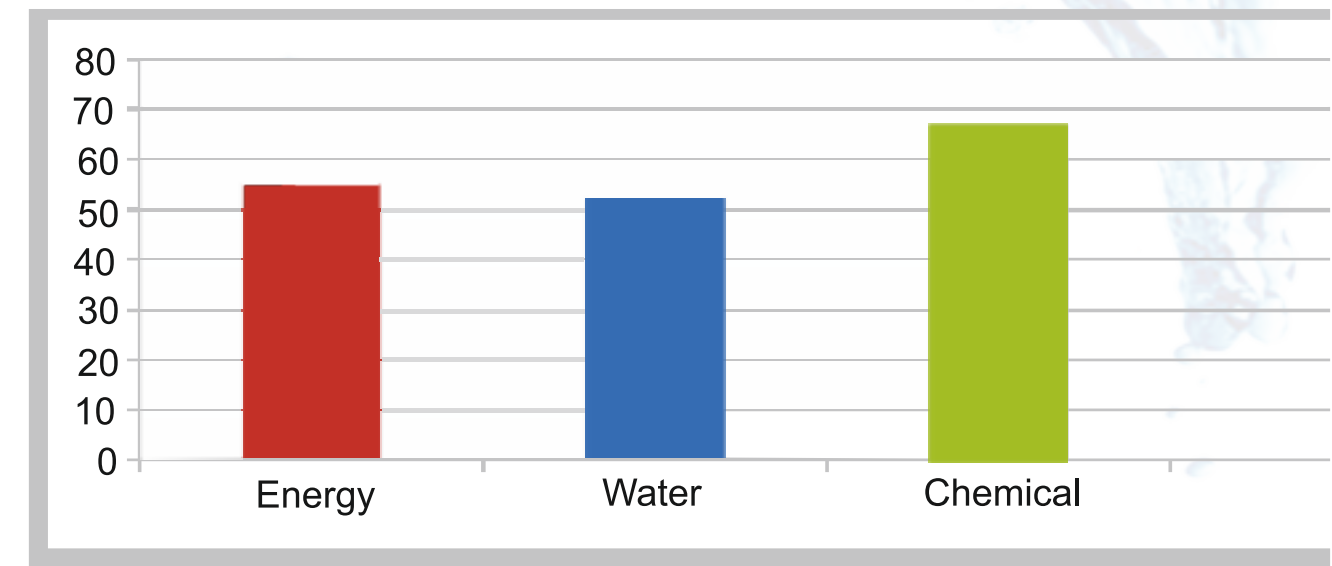

**Control Station**

**Chiller/Cooling Station**

## Savings-

### Pioneer Ozone machine

- 1) 55% Savings on energy.
- 2) 52% Savings on water.
- 3) 67% Savings on chemicals.

## Save How?

- Ageing effect, vintage look on garments without water & chemicals.
- Remove backstaining without chemical's and water.
- Bleaching without bleaching agent and minimum water.

## Salient Features -

- Removes Back staining
- Ageing For true vintage looks
- Cleaning
- Bleaching without bleach
- Removal of indigo stain
- Shade matching.
- Eliminate need of PP spray.
- Pigment look without pigments.
- Black and greys fade naturally without turning brown.
- With built-in Ozone Dissociation system that converts the exhaust into Oxygen.
